Best Wishes for the New Year 2010.

On this Auspicious Day and beginning of New Year on 1st January 2010, Greet you with all the brotherly / friendly love and affection to remind soul's wealth and its enjoyment.

Greeting is a special intend of the human race to only remind the often forgotten Self – Soul in one form or the other. In our day to day life we follow / observe this calendar for all activities / planning. This New Year beginning Day is the occasion to remind one and all of the invaluable, inexhaustible and incalculable wealth of the Self – Soul.

Let us resolve this day to formulate self efforts in a big way to achieve the Samyaktva (Self Realization) during this life time. If not, at least to plant the roots for this great cause, so as to accomplish it during the next couple of lives.

Wishing you and all the near and dears an early dawn of Samyaktva (Self Realization) on this New Year Day.

Enlightenment - Self knowing and seeing Self - is a rare occurrence in the human race only, though its seed could grow in any one of the four gatis. Nonetheless it is very much in each and every soul in all the four gatis in its latent state. Pancham Gati - Siddha Gati - is the obvious / revealed state of the potency of soul

Knowing and Seeing – “Upayoga” – is the inseparable capability of all the soul and functioning ceaselessly from the beginning-less time and shall be so for endless time. Though it is rooted in the soul, soul due to its beginning-less ignorance entertains only wrong knowledge and belief of itself.

Our prayer for the New Year Wish: Let all soul be blessed with eternal happiness, equanimity, amity and let divinity prevail everywhere in the Universe.

In reality: Let us follow as advised by Bhagwan Kund Kund Acharya in one of the concluding Stanzas: 412: of Samaysar:

Mokkhapape appanam thavechi tam chev jhahi tam chey / Tattheva vihar niccham ma viharsu annadavesu //
“Establish yourself on the path of Moksha (Liberation), meditate on it,
Experience it, always move into it, and do not move among other things”.

Samaysar: Stanza 153

Vadaniyamani dharamta silani taha tavam ch kuvvamta / paramatthabahira je jivvanam te n vindanti //

"Only right faith, knowledge about soul and achieving self-realization can lead to Moksha. Those who are ignorant about this supreme purpose of life will never be able to obtain Moksha (Liberation) in spite of their good deeds such as: observance of vratas (vows), niyamas (rules) of religious conduct and practice of shila (celibacy) and tapas (penance)".

Samaysar / Stanza 38:

"Ahamek khalu shuddho darshanGnanmayah sadarupi / Napysti mam kinchidpyanyat parmanumatramapi"

Absolutely pure, having the nature of perception and knowledge, always non-bodily, I am indeed unique. Hence not even an atom of alien things whatsoever

(Whether living or non-living) is related to me as mine.

Samaysar / Stanza 184:

"Yatha kanakmgnitaptmapi kanakbhavam na tam prityajati / Tatha karmodayatapta na jahati gnani tu gnanitvam"

Just as gold, however much it is heated, never loses its natural attributes, so also the right knowing self (soul) "however much it is burnt by the associated Karmas, does not lose his basic natural attributes of pure knowledge.

Samaysar / Stanza 11:

"Vavaharo abhudattho bhudattho desido du suddhanayo / Bhudatthamassido khalu sammaditthi havadi jivo".

Vyavhar naya (practical point of view) does not reveal the real (facts)

The Nischay naya (absolute pure point of view) is real, said by the supreme holy

Gurus. A soul that takes the shelter in real pure point of view is one with right

vision / faith.
